SCHMITT SOHNE LIEBFRAUMILCH

Winery: Schmitt Söhne Wines

Region: Germany

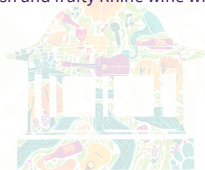

Varietal: blend

Vintage:

Taste Profile:

Wine Color: White

Tasting Notes: Liebfraumilch is a fine blended wine utilizing four different types of grapes grown in the Rhine region. The harmonious climate, warm summers and mild winters are typical for this growing area. The four grape varieties always used for Liebfraumilch are Riesling, Silvaner, Müller-Thurgau and Kerner. This is a very popular style of wine from Germany and is always a quality wine (QbA). Grapes are blended to produce a fresh and fruity Rhine wine which is medium in style.

Tasting Notes: A fruity Spanish Rosé with the fresh taste of strawberries and cherries. It is beautifully balanced with a refreshing crispness and soft, round finish.

SCHMITT SOHNE WINES

SCHMITT SOHNE RIESLING RELAX

Winery: Schmitt Söhne Wines

Region: Germany

Varietal: Riesling

Vintage:

Taste Profile: Sweet Wine Color: White

Tasting Notes: From the vineyards of the Mosel wine region, these Riesling grapes ripen in slate and mineral soil and are harvested based on their optimal taste and ripeness. Cold fermented in stainless steel tanks, this wine brings a natural acidity, providing a perfect balance that is refreshingly crisp and leaves your mouth watering for more.

WITH A TWIST OF THE CAP RELAX Riesling is fermented slightly dry with a wonderful fruity bouquet and intense flavors of apples and peaches with just a hint of citrus.

PAIR WITH... RELAX Riesling is delicious on its own! But it pairs perfectly with a variety of foods, from grilled seafood and poultry to spicy Asian dishes and fresh salads.
